

## **60M€ ORDERS SIGNED WITH MBDA IN FRANCE**

---

**Colleferro (Rome), 21 July 2025** - Under the existing framework agreement with MBDA in France, Avio ("Avio" or the "Company") signed a production order for the supply of solid rocket motors and related aerodynamic surfaces for the ASTER 30 defense system, for a total value of approximately EUR 50 million.

Furthermore, within the same framework agreement, Avio signed additional different and unrelated orders aggregately amounting to approximately EUR 10 million.

The orders cover an average production period of five years.

These transactions confirm the positive momentum in Avio's defense propulsion business and further strengthen the Company's collaboration with MBDA Group.

\*\*\*

**Avio** is a leading international group engaged in the construction and development of space launchers and solid, liquid and cryogenic propulsion systems. The experience and know-how built up over more than 50 years puts Avio at the cutting-edge of the space launcher sector and defense program. Avio is present in Italy, France, United States and French Guyana, employing approx. 1,400 highly qualified personnel. Avio is the prime contractor for the Vega program and a sub-contractor for the Ariane program, both financed by the European Space Agency (ESA) placing Italy among the limited number of countries capable of producing a complete spacecraft.
