

NEW ORDERS SIGNED WITH MBDA FOR OVER 35M€

Colleferro (Rome), 5 December 2025 – Under the existing framework agreement with MBDA, Avio ("Avio" or the "Company") signed two production orders for the supply of solid rocket motors and related aerodynamic surfaces for Air defense system, for a total value of more than EUR 35 million.

The orders cover an average production period of five years.

Signing these orders reaffirms the strong momentum in the defense propulsion sector and further consolidates the Company's partnership with the MBDA Group.

* * *

Avio is a leading international group engaged in the manufacturing and development of space launchers and solid, liquid and cryogenic propulsion systems. The experience and know-how built up over more than 50 years puts Avio at the cutting-edge of the space launcher sector and defense program. Avio is present in Italy, France, United States and French Guiana, employing more than 1,500 highly qualified personnel. Avio is the prime contractor for the Vega program and a sub-contractor for the Ariane program, as well as a leading solid rocket motor subcontractor for the design and manufacturing of major European tactical missile programs.
